Elaptacoin Terms of Service (ToS)

Revision 1.0, by Alex "Kaz" Bolte

Effective Date: 2024-08-09 (August 9, 2024)

---

1. Introduction

Welcome to Elaptacoin and its associated services, including but not limited to our server (*.stormsurge.xyz), Web Wallet (wallet.stormsurge.xyz/dashboard), Proof-of-Work (PoW) miner elapMine, and Proof-of-Space (PoS) miner elapFarm (collectively, the "Services"). By accessing or using any part of our Services, you agree to be bound by the terms and conditions outlined in this document (the "Terms of Service"). If you do not agree to all the terms and conditions of this agreement, then you may not access or use the Services.

2. Eligibility

To use our Services, you must:

- Be at least 13 years of age.
- Provide accurate and complete information during the registration process.
- Comply with all applicable laws and regulations in your jurisdiction.

3. Account Registration and Security

You are responsible for maintaining the confidentiality of your account information, including your password. You agree to:

- Provide accurate and truthful information during registration.
- Not register multiple accounts for the purpose of exploiting the Services for additional profit.
- Immediately notify us of any unauthorized use of your account or any other breach of security.

4. Prohibited Activities

You agree not to engage in any of the following activities:

- Attempting to hack, breach, or illegally exploit our servers.
- Registering multiple accounts to gain an unfair advantage or additional profit.
- Using or attempting to use any automated system (e.g., bots) to access or use the Services, excluding Elaptabot.
- Registering with an inappropriate username, including those that are offensive, discriminatory, or otherwise violate community standards.
- Disrupting or interfering with the integrity or performance of the Services or the data contained therein.

5. Consequences of Violating the Terms of Service

Violating these Terms of Service can result in serious consequences, including but not limited to:

- **Account Suspension or Termination:** We reserve the right to suspend or terminate your account if you are found to be in violation of these Terms.
- **Blacklisting:** Upon termination, your email address used during signup could be added to a blacklist, and your IP address could be blocked.
- **Ban from Discord Server:** You will be banned from our Discord server and prohibited from participating in community activities.
- **IP Ban:** You could be IP banned from creating new accounts on the Elaptacoin Web Wallet or any other Services.

6. Privacy Policy

We respect your privacy and are committed to protecting your personal information. Please refer to our [Privacy Policy](#) for more details on how we collect, use, and disclose your information.

7. Modifications to the Terms of Service

We reserve the right to update or modify these Terms of Service at any time without prior notice. Your continued use of the Services following any changes to these Terms will constitute your acceptance of those changes.

8. Termination

We reserve the right to terminate your access to the Services without prior notice if you violate these Terms of Service. Upon termination, all provisions of these Terms of Service that by their nature should survive termination shall survive, including, without limitation, ownership provisions, warranty disclaimers, indemnity, and limitations of liability.

9. Governing Law

These Terms of Service shall be governed and construed in accordance with the laws of the United States, without regard to its conflict of law provisions.

10. Prohibition on Distribution of Code

You are strictly prohibited from distributing, sharing, or otherwise disseminating any code, scripts, or proprietary information from any of our private backend repositories, even if you gain unauthorized access to them. This includes but is not limited to source code, algorithms, databases, and any other intellectual property associated with Elaptacoin and its related services.

Unauthorized access to or distribution of our code is a serious violation of our security policies and may result in immediate termination of your account, legal action, and any other remedies available under the law. We will actively pursue all legal avenues to protect our intellectual property and the integrity of our Services.

If you become aware of or suspect unauthorized access to any of our private backend repositories, you must report it to us immediately at our Discord server to a Staff member, or email Kaz at alexbolte693@gmail.com.

11. Discord Community Guidelines

By participating in our Discord server, you agree to abide by Discord's Community Guidelines and our own server rules. These guidelines are in place to ensure a safe, respectful, and positive environment for all members of our community.

Unacceptable Behavior

Engaging in any of the following behaviors is strictly prohibited and may result in disciplinary action:

- **Harassment or Bullying:** Targeting other users with malicious behavior, including threats, intimidation, or any form of bullying.
- **Hate Speech or Discrimination:** Sharing content or engaging in conversation that promotes hate, violence, or discrimination based on race, ethnicity, gender, sexual orientation, religion, or any other characteristic.
- **Spamming or Trolling:** Repeatedly posting irrelevant messages, links, or other disruptive content that detracts from the server's purpose.
- **Inappropriate Content:** Sharing or promoting explicit, offensive, or otherwise inappropriate content that violates community standards.
- **Violation of Server Rules:** Breaking any specific rules set forth by server administrators, which may include guidelines on content sharing, language, and user interactions.

Consequences of Violating Community Guidelines

If you violate the Community Guidelines or server rules, you may face the following consequences, depending on the severity of the offense:

- **Timeouts:** You may be placed in a temporary timeout for as little as 60 seconds to up to several hours. During this time, you will be unable to send messages or interact with the community.
- **Temporary Ban:** For more serious offenses, you may receive a temporary ban from the server, preventing you from participating for a set period.
- **Permanent Ban:** In cases of severe or repeated violations, you may be permanently banned from the server. Once banned, you will no longer be able to participate in server giveaways, community events, or other activities hosted within the server.

Impact on Other Services

A ban from our Discord server does not automatically result in your blacklisting from the Elaptacoin Web Wallet or other associated services. However, being banned from the server will limit your ability to engage with the community and participate in server-exclusive opportunities.

11. Contact Information

If you have any questions about these Terms of Service, please contact us on the Discord server, or e-mail Kaz at alexbolte693@gmail.com. More contact information is available on our Elaptacoin whitepage.

By using our Services, you acknowledge that you have read, understood, and agree to be bound by these Terms of Service.
